Fuzzy Davis

Hilton Head, South Carolina

Captain Fuzzy Davis began his fishing career on Hilton Head Island, South Carolina, in 1977 after graduating from Ohio State with a degree in fisheries management. Davis pioneered the area's inshore fishing for tarpon, cobia and redfish guiding clients to the state's first tarpon on fly and breaking the tarpon record. Davis also is the Outdoor Pursuits Director for The Ford Plantation in Georgia and hosts a daily radio fishing forecast. He created the "Fish with Friends" event for special needs children and adults and lives on Hilton Head Island with his family. His son, Drew, is also a local fishing guide and attends Auburn University studying Natural Resource Management.
